

P.A. INTERNATIONAL SCHOOL

Annual Report (2019-2020)

Respected Members of the Management , Honoured Guests ,Parents ,Teachers and my dear students.

A Pleasant evening to one and all with immense pleasure and privilege, I present to you, the annual report of our School for the Academic Year 2019-2020.

The Year 2019-2020 has indeed been a glorious year for PAIS. We have made a victorious entry into the 2nd Academic year in April 2019. From the humble beginning we made in 16th June 2018 having crossed many milestones, today our School is a dream destination of students, teachers and parents alike.

Excellence is not an act but a habit pursuit of excellence with sincerity of purpose is what we at PAIS strive for. I take pride to announce that our school has been affiliated with CBSE and we indeed show an active participation in the activities organised by the Board.

“Excellence is pursuing and doing the best we can with the gifts and abilities God given us”

As the saying goes,

I would like to enlist the highlights of the academic year.

Assembly – The students of PAIS experience challenging situations provided at school. Assembly plays a vital role in nurturing the developments of intra personal intelligence and also helps to overcome the stage fear. On all Mondays and Fridays, children are provided with the opportunity to showcase their thematic ideas in their unique manner.

1. Academics:

Theme- based Curriculum is carried out successfully in the primary level. Usage of montessari labs helps children experience their learning through Multi sensory activities. The introduction of jolly phonic in the primary level has gradually enhanced the pronunciation ,listening speaking, reading and writing skills. Students of Grade I – Grade IX are periodically assessed and graded from the tests and

examinations they take up throughout the year. They take up four Periodic Assessments and two terminal Exams.

The present set of grade IX is a challenging set of students, as they are the first batch to appear for the Board Exam. We have planned to execute the best strategies to motivate children to attain great heights.

We also provide innumerable opportunities for students through various competitive examination. The School in association with the Science Olympiad Foundation(SOF), has conducted five examination this year namely National Cyber Olympiad, National Science Olympiad, International Mathematics Olympiad, International GK Olympiad, International English Olympiad. Around 170 Students appeared for the Examinations and 11 Students were qualified for the Second Level.

The School has undertaken Spell Bee Programme to improve the child in learning Spellings.

2.Field Trips:

The World is a Book and those who do not travel read only one page. PAIS provides greater opportunities for all grades to experience learning through Field Trips. During the First term,

Grade I and II were taken to Aliyar Dam, AliyarArivuThirukovil, Fish Aquarium.

Grade III, IV were taken to Coir Factory, Groundnut Factory, Aliyar Park.

Grade VII, VIII were taken to Coconut Research Centre and AliyarShanthalakshmi Ginning Factory.

3.Festivals and Celebrations:

The Greatness of the Culture can be found in its Festivals. We take much concerns in preserving the culture and heritage of the country.

We have celebrated Gokulaashtami, VinayagarChaturthi, Diwali, Christmas and Pongal festivals to bring out their significance. On the other hand students and teachers experienced memorable moments on their special days, namely, Children's Day and Teacher's Day respectively.

4. Leadership Training:

Investiture Ceremony as usual becomes the first memorable occasion to be held in any school, where the student council members are selected and they obtain their leadership roles. This occasion of pride and dignity fell on 28 June, 2019. He

had the eminent dignitaries of the management honoring the student council with the badges.

5.Sports and Games:

Champions aren't made in gyms. Champions are made from something they have deep inside them- a desire, a dream, a vision. We feel proud to have organized the Primary Sport Day exclusively for the Kindergarden Children on 1st Feb 2020 where we have Mr. Thangavel, Tahsildar as the chief guest. The 2nd Annual Meet for grades I-IX was held on 15th Feb 2020 with the Chief guest Gopalakrishnan, President, Chamber of Commerce.

We have conducted the Intra School Swimming Competition on 11th Jan 2020.

Our School Football team had participated in the Football Tournament conducted by Kovai Sahodaya School Complex on 18th July 2019. We were part of both under-17 and under-14 Football. under-14 Football team won the first match in the tournament and entered into semi-finals.

On 2nd Nov 2019 our School students participated in the Inter School Swimming competition conducted by C.S. Academy, Coimbatore.

On 17th Nov 2019, Our students participated in the 11th State Level Skating event and have won the overall and individual Championship.

On 24th Nov 2019, Our Students were a part of the State Level Archery Competition. Our Children have also been a part of Badminton Tournaments.

In the Intra School Level we have conducted various events like Football, Swimming, Skating, Kabadi, basketball for different Categories.

6. Environment Education:

Our planet's alarm is going off, and it is time to wake up and take action!

The Students of PAIS were blessed to get the opportunity of plant saplings in the school premises. We feel proud to say that those children who planted the saplings are watering them regularly. Various Competitions such painting and eleocution were based on the awareness of safe environment

7.Students Enrichment Programme:

We are proud to have initiated the programme of Scouts and Guides this year.

Experience and Knowledge are some of the most powerful Weapons. We have introduced different clubs named Nature Club, Science Club, Quiz Club,

Literacy Club, Cookery Club, Math Club, Art and Craft Club with active participants of Children.

8. Cultural Events:

Excellence is doing ordinary things extraordinarily well. Apart from academics and sports, students were able to prove their skills in the cultural competitions held this academic year.

The music students have been a part of the Singing Competition organized by Kovai Sahodaya School Complex.

The School too has organised Intra School Cultural Competitions for Students Drawing, poetry recitation, Story telling, Music, elocution craft out of waste, clay modelling, Dance Essay writing in Tamil and English, Declamation in English, Vegetable Carving, pot painting, poster making, were the Competitions held for various Categories.

9. PTA Activities:

Connecting Home and School makes us a great community of Learners!

Parent-Teacher Meeting was conducted after every periodic assessment and Term Examination. We are extremely grateful for the support and cooperation from the parents for the progress of the school. We were delighted on the great show contributed by the parents on the both the Sports days, namely Primary Sports Day and II Annual Sports Meet for the higher grades. The encouragement and contribution of the parents in Kalam Science Expo kept us Spellbound.

10. School Management Committee

The School takes great pride of the School Management Committee for taking immense interest in the progress of the school. The committee has met twice in this academic year to discuss the major aspects of the school. The first meeting was held on 15th June, 2019 at the school premises. Discussions were based on scholarship for merit students, short term and long term programmes, important events of the school and the necessary requirements in every field.

The second meeting was scheduled on 7th December, 2019 to discuss on the necessary preparations to be made for the programmes ahead . Complete analysis was done on the academic growth of the school. Various proposals were made keeping in mind the welfare of the students and employees of the school .

11.Special Events:

We are extremely glad to announce that on 25th Jan 2020, we had KALAM SCIENCE EXPO, an Inter-School level event. Students from grade I-IX were a part of it. We had students from other schools for the Expo. We were blessed to have Dr.Leo Jackson, as the Chief Guest.

Students were given to moment of planting saplings in the school premises. The Students experienced the best moments with scientist through the interactive session.

Towards the closure, I extend my sincere and heartfelt gratitude to our Management for the enduring support and guidance for the progress of the School. On behalf of the family of PAIS, I express my genuine gratitude to all our parents, well-wishers and patrons of our school. I am grateful to every student who contribute much to the meaningful happiness and immense satisfaction in PAIS. I take this moment in ensuring that the faculty of P.A. INTERNATIONAL SCHOOL would do the best to serve this locality through quality education.

Thank you!
